Dear Hiring Manager,

I am writing to express my interest in the Public Relations and Communications Manager position at the Cayuga County Tourism Office. With my background in hospitality and technology, I am confident in my ability to contribute to your team and help promote the rich attractions of Cayuga County.

In my previous roles within the hospitality industry, I have developed a keen understanding of customer service, event coordination, and management. I am adept at leveraging various communication channels, including social media, to enhance brand visibility and engage with the community effectively.

Additionally, my proficiency in computer technology has equipped me with the skills necessary to manage digital platforms, analyze data, and implement effective communication strategies.

I am particularly drawn to this opportunity at the Cayuga County Tourism Office because I moved to Auburn several years ago. I liked the area, the people, the food and the events here. I think that it is an area that is looked over by people, but it still has a lot of character and charm.
