## PROFESSIONAL EXPERIENCE

### **Cleanout Pros – Syracuse, New York** **Citywide Cleanup and Relocation Specialist** (8/2024 - present)

Work closely with a team across the city of Syracuse on a variety of tasks. Managed projects involving demolition, hauling, and thorough cleaning of homes. Assisted clients with moving and relocating their belongings to new residences, ensuring a smooth and efficient process. Created a commercial website for the company.

### **Belvista Software – Rochester, New York** **Intern / Database associate – (11/2022 – 5/2023)**

Queried multiple databases in MySQL to search for information helpful to our clients; Tailored SSRS reports to clients' specific needs. Tasks in this position provided the opportunity to study a variety of terms and subjects specific to the SQL, SSRI forms and the financial/debt industry. This remote work experience taught me effective communication skills working with co-workers asynchronously and synchronously, remotely.

### **Skaneateles Country Club – Skaneateles, New York** **Banquet Chef – (4/2018-12/2019, 6/2022 – 9/2022)**

Organized a team, and time, to feed up to hundreds of people and multiple parties at a time. Ordered food, scheduled employees, and expedited on the A la Carte lunch and dinner shifts. In this position I learned how to adapt quickly to various roles. This position required flexible hours; The busy seasons demanded up to 10 or 12 hour shifts.
